OPPORTUNITY FOR SAVINGS

Brent H. Sadler President/CEO

2022 has been a slower start for UCU than we had hoped but over the past few months, and with the beginning of our annual loan promotion, things have really picked up. We had a good time at our Annual meeting on May 5th by updating the membership, giving out scholarships and recognizing our hard-working UCU team. There are some exciting things coming in the future, so if you know someone that is NOT a member, now is the time to have them join. United Credit Union is a member-owned cooperative and serving our membership is our main priority, unlike most of our competitors that are more profit driven. UCU's Board of Directors, management and staff are committed to giving you the best option in financial services in the region. Stop into one of our locations and check us out or look for us at one of the many community events we will be at over the next few months. You won't be sorry.

As always, "WE ARE UNITED!"
